TOGETHER, THE BLOCKCHANCE CONTINUES TO GROW!

# ROADMAP:

**Project manager:** Daubit Programmierung Service GmbH

**Phase 1:** Website development by PL (until 03.11.)

- Goal: Development of a functional website for NFT sales.

**Phase 2:** Premarketing and network building (03.-10.11.).

- Goal: Promote NFT sales and network building through contacts.

**Phase 3:** Minting of NFTs through PL (10-13/11).

- Goal: Fundraising for an investment in Blockchance 2.0 which is expected to be founded by 12/1/2023 and then directly buys the assets of Blockchance GmbH from the insolvency estate.

**Phase 4:** Rewarding supporters and influencers.

- Goal: Recognize and reward support. Through the Perks for the upcoming Blockchances.

**Worst-Case:**

- Activity: Reversal (for total revenues below \$50,000).

- Goal: Ensure orderly wind-down in the worst-case scenario of insufficient fundraising.

- Activity: in case of total revenues below \$50,000, the project will be unwound and all funds raised minus gas fees will be refunded.

- If it is not possible to invest in Blockchance 2.0 with the collected funds, only the perks for the supporters will be purchased and distributed from the money.
